Vivek Jain, MD, MAS, FIDSA

Professor of Medicine
Division of HIV, Infectious Diseases &
Global Medicine, SF General Hospital
University of California, San Francisco

Infectious Diseases in Clinical Practice:

Update on Inpatient and Outpatient Infectious Diseases

February 16-21, 2025 • Grand Hyatt Kauai • Kauai, Hawaii

Presented by the Division of Infectious Diseases in the Department of Medicine at the University of California, San Francisco (UCSF), this course reviews clinically relevant topics in infectious diseases that are commonly seen in the inpatient and outpatient settings. It includes updates on emerging and re-emerging infectious diseases with real-time information on key concepts needed to manage them.

TARGET AUDIENCE

The Infectious Diseases in Clinical Practice (IDCP) course is designed to educate and update primary care physicians, internists, hospitalists, family medicine physicians, nurse practitioners, physician assistants, nurses, clinical pharmacists, and other health professionals who diagnosis, manage, or treat infectious diseases in the inpatient or outpatient setting.

OBJECTIVES

Upon completion of the activity an attendee will be able to:

- Apply knowledge and principles to diagnose, manage, treat, and prevent common infections encountered in clinical practice such as skin and soft tissue infections, intra-abdominal infections, respiratory tract infections, urinary tract infections, gastrointestinal infections, bone and joint infections, endocarditis, staphylococcal infections, nosocomial infections, sexually transmitted infections, and infections of the central nervous system.
- Identify the salient features of emerging and re-emerging infections such as avian influenza, measles, mpox, dengue, and others.
- Incorporate into practice the current use of vaccines to prevent infectious diseases in adults and adolescents.
- Incorporate into practice the use of antimicrobial agents including (1) an understanding of their efficacy and (2) optimal use for prevention and treatment of bacterial, viral, and fungal infections.
- Apply basic principles of antimicrobial stewardship to everyday clinical practice in the inpatient and outpatient setting.
- Incorporate into practice the diagnosis, management, treatment, and prevention of COVID-19.
- Identify and manage less common infections including infections in immunocompromised patients, mycobacterial infections including tuberculosis, and travel-associated infections.

ACCREDITATION

In support of improving patient care, the University of California, San Francisco is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME CREDIT

Physicians UCSF designates this live activity for a maximum of **22.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly, Bill 1195, continuing education and cultural and linguistic competency.

Geriatric

The approved credits shown above include **4.50** credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Pharmacotherapeutics for Nurses:

For the purposes of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits™* issued by organizations accredited by the ACCME. This activity is designated for a maximum of **7.00** Pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.

Physician Assistants

AAPA accepts category 1 credit from AOACME, prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

Pharmacy

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Family Physicians

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

American Board of Internal Medicine (ABIM) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **22.00** MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

GENERAL INFORMATION

Advance registration closes February 10, 2025. Onsite registration fees will be applied after this date.

HOW TO ENROLL

Tuition*:	Early Bird by 12/15/24	After 12/15/24
Practicing Physicians	\$995	\$1095
Nurses/Pharmacists/Advanced Practice Practitioners/Residents/Fellows	\$800	\$875
Industry	\$900	

* On-site registration will be \$100 additional
Payment may be made by Visa, MasterCard, AmEx or check.

REGISTER VIA:

Online: infectiousdiseasekauai.ucsf.edu

Mail: Complete course registration form and send with payment to:
UCSF Office of CME • Box 0742
490 Illinois Street, Floor 7
San Francisco, CA 94143

Phone: To register by phone or to inquire about registration status, please call UCSF's CME Registration Office at (415) 476-5808.

On-Site Registration:

Generally we are able to accommodate on-site registration at our courses, however pre-registration is preferred to ensure that we have adequate course materials. Please check our website for up-to-date information on the course: infectiousdiseasekauai.ucsf.edu

GREENER MEETING

We're saving paper! The syllabus will be transmitted electronically prior to the course.

REFUND POLICY

Cancellations received in writing before **February 11, 2025** will be refunded, less a \$75 administrative fee. No refunds will be made on cancellations received after that date.

WEDNESDAY, FEBRUARY 19, 2025

7:00 am Continental Breakfast

Breakout Session I

7:30 Rx A: Antimicrobial Stewardship Workshop Sarah Doernberg, MD, MAS
B: Non-COVID Respiratory Viruses Jennifer Babik, MD, PhD

Breakout Session II

8:30 Rx A: Gram Positive Antibiotics Conan Macdougall, PharmD, MAS
B: Tuberculosis Vivek Jain, MD, MAS

9:30 Coffee Break

9:45 Skin and Soft Tissue Infections (SSTI's) Vivek Jain, MD, MAS

10:45 Rx Gram-negative Antibiotics Conan Macdougall, PharmD, MAS

11:45 am Adjourn

THURSDAY, FEBRUARY 20, 2025

7:00 am Continental Breakfast

Breakout Session I

7:30 Rx A: Common Fungal Infections Stephanie Cohen, MD, MPH
B: Herpesviruses Jennifer Babik, MD, PhD

Breakout Session II

8:30 A: Endocarditis Henry F. Chambers, MD
B: ABC's of Hepatitis Stephanie Cohen, MD, MPH

9:30 Coffee Break

9:45 G Infections in Patients with Diabetes Vivek Jain, MD, MAS

10:45 COVID Update for 2025 Lisa Winston, MD

11:45 am Adjourn

FRIDAY, FEBRUARY 21, 2025

7:00 am Continental Breakfast

7:30 Update in Travel Medicine Brian Schwartz, MD
8:30 Sexually Transmitted Infections Stephanie Cohen, MD, MPH

9:30 Interesting Case Presentation Vivek Jain, MD, MAS
